ATALANTE *Grande Réserve*

RAREFIED FLAGSHIP, LIMITED TO 300 WORLDWIDE

Designed as a once-only creation of 300 pairs, ATALANTE Grande Réserve pushes the ATALANTE philosophy to new heights — **becoming the flagship of the series.**

It is crafted for listeners who seek **flagship-level performance** yet require the **flexibility of a more space-friendly form**, bringing reference sound into rooms.

And true to Revival Audio's mission, the Grande Réserve delivers performance capable of competing with - and often surpassing - **speakers priced two to three times higher**, setting a new benchmark for what a compact flagship can achieve.

A rarefied flagship born from limits — and elevated beyond them.

KEY FEATURES

- **RASC™ Évo Tweeter & Midrange:** Our patented ARID technology, specially-made Tetoron tweeter dome with refined coating recipe, dual-suspension midrange, oversized neodymium magnets, full aluminium chamber and many detail upgrades for enhanced rigidity and airflow control. All is Evolved!
- **12-inch BSC™ Grande Réserve Woofer:** Newly developed long-excursion design with ± 12 mm X-max, 36 mm Y35 magnet, and a 2.55" 4-layer voice coil — delivering articulate, distortion-free dynamics with absolute control.
- **StrataBaffle™ Multi-Layer Front Baffle:** 25 mm, 6 kg, 3-layer sandwich construction, combined with a UDF core and structural backing, precision-chamfered for reduced diffraction, higher rigidity, and refined imaging.
- **AeroVex™ Dual Rear Bass Ports:** Derived from ATALANTE 7 Évo, the twin rearported system ensures seamless airflow and natural, extended low-frequency response, reducing port noise by 94+%.
- **Hand-tuned crossover: Mundorf Supreme components, WBT terminals, and van den Hul Skyline internal wiring,** customised components, meticulously tuned by ear and measurement for phase accuracy and tonal purity.
- **Smart Isolation Stand Set:** Micro-adjustable spikes and the decoupling design between speakers and stands enhance stability and vibration control.
- **Cabinet & Design Highlights**
 - Re-engineered cabinet with enhanced internal bracing for **near-resonance-free performance.**
 - **Dedicated wood stand** reinforced by die-cast metal structure for perfect balance of damping and rigidity.
 - The **smoked oak finish** and **chamfered front design** evoke classic elegance with a modern touch.
 - Rear terminal plate engraved with serial number (N° XXX / 300).
